

EDUCATION

University of Medicine and Pharmacy “Iuliu Hatieganu” Cluj Napoca

Ph.D, April 2008

Field: dentomaxillofacial radiology

Dissertation : « High resolution digital systems used for the evaluation of endodontic treatments»

Supervisor : Prof. Dr. Floarea Fildan

Master in Science, 2003

Dissertation: « Online Guide of European Dental Schools »

Supervisor: Prof. Dr. Stefan Tigan

Dental degree, 2002

Dissertation: “ Digital radiology used in a dental office”

Supervisor: Prof. Dr. Floarea Fildan

FELLOWSHIPS

University of Leuven, School of Medicine, BELGIUM 2004

Field: Master of Oral Imaging

Research supervisor: Prof. R. Jacobs

Fellowship of the AUF (Agence Universitaire de la Francophonie).

ACTA Amsterdam, THE NETHERLANDS 2003

Field: endodontics

Research supervisor: Prof. P.R. Wesselink

Fellowship of the Romanian Government

“René-Descartes” University, Faculty of Dentistry Paris, FRANCE 2003

Field: e-learning

Research supervisor: Prof. G. Levy

Fellowship of the AUF (Agence Universitaire de la Francophonie).

EXTRACURRICULAR EXPERIENCE & LEADERSHIP

Cluj-Napoca Dental Students Association

- External Affairs coordinator (1998-1999)
- Member of the Faculty Council (2000)

1st Romanian Conference of oral and maxillofacial radiology, December 9-10 2005, **Cluj-Napoca**, Romania

The International Congress of Dentistry for Students and Young Dentists- DENTIS 2006, **Cluj-Napoca**, Romania, April 25-30, 2006

The 10th European Congress of Dento maxillofacial Radiology May 31 June 3 2006, **Leuven, Belgium**

SCIENTIFIC WORK, RESEARCHES

01. "The Results of a Dental Profilaxis Programme "

· presented during the International Association of Dental Students Midyear Meeting, London 1999; published in European Dental Students Magazine.

Authors: Chifor I. , Anghel G. , Zah I., **Marius G. Bud.**, Crisan B.

02. "The Influence of Tobacco upon the Periodontium"

· presented at the Dental Students Congress from Timisoara, Romania, "Medis" 1999 obtaining the Special Prize of the Jury

Authors: Borza D., **Marius G. Bud**

03. "Behavioral Risk Factors in the Periodontal Disease"

· presented at the Dental Students Congress from Iasi, Romania, 1999

Authors: **Marius G. Bud.** , Borza D. , Crisan B.

04. "Accupuncture Anesthesia in Dentistry"

· presented at the 3rd Congress of Medicine and Dentistry for Students and Young Dentists, BURSA, Turkey , Nov.1999, awarded with the First Prize

Authors: **Marius G. Bud.** , Borza D.

05. "Dental Unit Water Lines-A Source of Infection"

· presented at the 5th Congress of the Balcanic Stomatological Society THESSALONIKI, Greece , April 2000 and MEDIS 2000, Timisoara, Romania, obtaining the 3rd prize at the poster section

Authors: **Marius G. Bud.**, Slavcovici A.

06. "Testing system for HIV antibody using oral mucosal transudate"

· presented at The International Congress of Dentistry for Students and Young Dentists- Dentis 2000, Cluj-Napoca, Martie 2000

Authors: Crisan B, **Marius G. Bud.** , Borza D. , Sabadus V. , Lucaciu O.

07. " Ergonomics in dental practice"

· presented at The International Congress of Dentistry for Students and Young Dentists- Dentis 2001, Cluj-Napoca, April 2001- special prize of the Jury

Authors: **Marius G. Bud.** ; Lucaciu O. ; M. Fernea; Fildan F.

08. " Digital Dental Radiology - advantages "

· presented at The International Congress of Dentistry for Students and Young Dentists "THALASSA-DENT" - Constanta , Romania, 22-25 November 2001

Authors: **Marius G. Bud.**, Fildan F.

09. " Pacients attitude concerning dental amalgam "

· presented at The International Congress of Dentistry for Students and Young Dentists "THALASSA-DENT" - Constanta , Romania, 22-25 November 2001- aworded with the First Prize

Authors: Chisnoiu R., **Marius G. Bud.**/ Asist. Dr. Codruta Nicola

010. " 3D surgical planning in dental implantology"

· presented at the " Scientific congress of the University of Medicine and Pharmacy Cluj", Cluj-Napoca 6-7 December 2001

Authors: **Marius G. Bud.**, Chifor I., Lucaciu O., Rus I./ Lect. Mihaela Baciut

011. " Esthetics in computer assisted prothesis "

- presented at the " Scientific congress of the University of Medicine and Pharmacy Cluj", Cluj-Napoca 6-7 December 2001

Authors: Chifor I., **Marius G. Bud.**/ Prof. Dr. Grigore Baciut

012. The quality of root fillings in small and curved root canals examined by two-direction radiographs and fluid transport measurements

- presented at The International Congress of Dentistry for Students and Young Dentists- Dentis 2004, Cluj-Napoca, May 6-9, 2004- first prize

Authors: **Marius G. Bud, DDS** , Min-Kai Wu, MD, MSD, PhD, Paul R. Wesselink, DDS, PhD

013. In vitro study on ultrasounds root canal preparation of frontal teeth - radiographic and cross sectional evaluation

- presented at The 3th International Congress " Oral heath and dentistry management in the Black Sea area" , **Constanta, Romania**, 29-30 May, 2004

Authors: Bud M., Duca M., Hedesiu M., Fildan F. , Alexa C. , Mohan I.

014. "In vitro comparative study of two obturation methods of curved and narrow canals - radiographic and cross sectional evaluation

- presented at The 3th Congress of dentistry for students and young dentists - StuDENT 2004, May 27-29, 2004, **Bucharest, Romania**

Authors : Bud M.; Simon I.

15. " Telemedicine in oral imaging "

- Presented at the 1st Romanian Conference of oral and maxillofacial radiology, December 9-10 2005, Cluj-Napoca, Romania

Authors: Marius G. Bud., Orasan Alin

16. "Detection of small calibrated endodontic filling voids with high resolution digital X-rays systems, conventional film and cone beam CT "

- Presented at The 10th European Congres of Dento maxillofacial Radiology May 31 June 3 2006,

Leuven, Belgium; awarded as the best poster presentation

Authors : Marius Bud; Lars Bergmans; Paul Lambrechts; Reinhilde Jacobs

17. “The use of a new high resolution digital imaging technique for small diameter K-file length determination in endodontics “

- Presented at The 10th European Congress of Dento maxillofacial Radiology May 31 June 3 2006, Leuven, Belgium

Authors: Marius Bud; Reinhilde Jacobs

- **18. “Essentials of digital intraoral imaging” Authors: Marius Bud, Floarea Fildan**

1

Teaching Assistant Maxillofacial Radiology department Currently teaching “oral imaging diagnosis”

Present: Endodontics department- Cluj Napoca Dental Faculty

PROFESSIONAL EXPERIENCE

- 2004-present: private dental office in Cluj-Napoca, Romania
- 2003-2004 work as a dentist in the University dental emergencies hospital

PROFESSIONAL MEMBERSHIPS

Romanian Dentists Association

European Academy of Dentomaxillofacial Radiology

SKILLS

Languages

Romanian. Native tongue

French. Fluent written and spoken (DALF certificate)

English. Fluent written and spoken

PC

MS Word, PPT; Corel Draw, Microsoft Excel, Macromedia dreamweaver

HOBBIES

interior design
